GENERAL DOG INFORMATION

Housebreaking: SSCFOA cannot guarantee that any dog you adopt will be housebroken, and even dogs that are housebroken are likely to have a few accidents at times, especially during the first few days of adoption. It takes time for an animal to adjust to a new home.

Behavior: Chewing/Digging: Without proper training and attention, many dogs can become destructive to furniture, property and other personal property. Dog Training is essential to help prevent potential problems with your new dog.
